By "agreeing", I understand that part of the camping experience involves activities, programs and interactions that may be new to my child, and that they come with certain risks and uncertainties beyond what my child may be used to in dealing with at home. I am aware of these risks and I am assuming them on behalf of my child. I realize that no environment is risk free, and so I have instructed my child on the importance of abiding by the camp's rules and my child and I both agree that he or she is familiar with these rules and will obey them.

By "agreeing", I represent, understand and fully grant permission to MBDC and it's directors to take my child on trips and for my child to participate in all activities including swimming and swim instruction in or outside the MBDC camp facility unless otherwise instructed in writing with an original signature required by parent/legal guardian.
